LOCAL MATTERS.

THE WEATHER To-DAY .- From our reports this morning the probabilities are that the weather to-day will be partly cloudy, with rain.

Captain Edward S. Gay, a well known and highly respectable citizen of Richmond, died suddenly yesterday at the residence of his sister-in-law, near Staunton. The deceased was for about thirty years connected with was for about thirty years connected with the public Guard of the State, first as lieutenant and then as captain, and was bolding the latter position when the Guard was disbanded by a military order. Of late years he was not regularly engaged in business; 50c. per bottle; PHALON'S CELEBRATED WOOD-VIOLET of mind and body, he had been so long a soldier he felt almost incapacitated for the civil pursuits of life. He was the seventy-ninth year of his in age when death came upon him so unexpectedly. He leaves two sisters older than himself, and several children and grandchildren. Blankinship, and M. Millhiser, yesterday morning had a long interview with General Mahone relative to the matters at issue between his railroad company and the Southern Express surety for his future good behavior. Company, by which Richmond is wholly deprived of express connections with the Southside and Southwestern portions of the State. The subject was very thoroughly discussed. General Mahone promised in a few days to reproduce his statement in writing. The committee hope that they will be

MADISON WARD REPUBLICANS .- The Republicans of Madison Ward met in council at Ham's Hall last night for the purpose of completing their ward organization, and for a general interchange of views regarding politics-past, present, and to come. An executive committee of mixed colors was elected. Mr. Otis H. Russell announced to the meeting that he was about to remove into Clay Ward, and with many regrets was compelled to tender his resignation as a member of the City Committee. This action created quite a stir. Burgess men, Wash-DUSTERS, and a full assortment of UNDERburn men, and Chandler men began to consult in corners of the room, and a red-hot fight for the succession seemed imminent. STAMPED NIGHT-GOWN and CHEMISE Mr. Andrew Washburn, Charles L. Clarkson, of the internal revenue collector's PILLOW-CASE and SHEET SHAMS, TOILET office, and Sergeant Paul, of the Attucks Guard, were nominated to fill the vacancy. Dire confusion and trouble was pending, and half a dozen noisy speakers were on the floor, PINK, GREEN, BUFF, and SLATE TABLEwhen Joe Cox, custom-bouse janitor, got up, with a majestic wave of his hand, and begged the meeting to remember that a Dispatch reporter was present, and they ought to behave properly, so the reporter could "tell some-thing true about them." After that there LINEN and COTTON SHEETING, PILLOW-CASE COTTON and LINEN; was perfect order and quiet. Clarkson re-ceived twenty-seven votes. Paul was complimented with about half a dozen. Before Washburn's could be counted somebody moved that his election be made unanimous. CHEVIOT, HICKORY and CHECKED SHIRT- and that was accordingly done. The straw in the current of Republican politics was supposed by the knowing ones present to a well-planned testimonial, and a substantia

> ticularly strong in Mr. Bergess's way. A GREAT IMPROVEMENT PROPOSED .- The Piedmont and Arlington Insurance Company some time ago purchased the building on the northeast corner of Ninth and Main time. The Piedmont and Arlington Comin the city. Mr. John Gibson is now engaged in making the plans.

A Capsize .- On Sunday last two young gentlemen concluded to take a sail down the James, and started from the wharf of the Old Dominion Company with every prospect of a pleasant trip; but just as the boat reached the middle of the river over she went, dumping her passengers out into the muddy water. Luckily their condition was observed, and soon they were rescued and brought back to the wharf, where, in the presence of a large crowd, they took off their outer garments and put them through a wringing process preparatory to drying, amidst the jocular remarks of the said crowd, and which the young men bore with of water, and the loss of sleeve buttons and studs was one of the results of the anticipated pleasant sail. Shortly afterwards two young men, with coats buitoned tightly across their throats, and with saddened countenances, might have been seen wending their way up the hill and through the back alleys, no doubt resolving in their own mind that the next time they go sailing on Sunday they will stay at home.

On Porter street, near Belle Isle aveaue, a fine two-story brick building is being erected for Mayor Chiles, which will, we trust, mark a new era in handsome buildings and cause many such to be erected. The bricks used by the contractor, Mr. William R. Blunt, are of Manchester make, and the house when completed will be one of the most handsome in the city.

Case of Mr. George D. Cole, of Warren county N. C BUFFALO SPRINGS, VA., August 10, 1874. BUFFALO SPRINGS, VA., Angust 10, 1874.

Colonel Thomas F. Juring this period 1 was treated at one time for four months continuously by ene of the most skillful physicians of my section of country, but no mentione afforded me even temporary rehef. One week ago I arrived at trees Springs, and comments of the use of the LI hin water. In twenty-four hours I experienced decided redef, and I am now perfectly free from every unpleasant symptom.

Respectfully yours. of Warren county, N. C.

GRAVEL OF MANY YEARS' STANDING RELIEVED BY THE LITHIA WATER. Case of Mrs. Henry Loftus. of Mecklenburg county stated by Dr. James Shelton.

Colonel Goode: In compliance with your request give you a statement of the case of Mrs. Burry oftus. She has been a great sufferer from gravel Lottus. She has been a great suner's from gravel for a number of years, medical treatment accomposishing nothing for her beyond a mitigation of suffering. She recently began the use of the Lithia water here, and in a few days discharged without pain a gravel weighing, I am confident, not less than twenty grains, which is now in my possession. Yours, respectfully, au 12-eod4t JAMES SHELTON. M. D.
